I need a home

Hi!

My name's Houdini, named as such because magic follows me where ever I go. I'm asking for your help to escape to my forever home. Could it be with you?!

I am an elegant 6 year old female black cat with luscious fur and gentle eyes. I get on well with everyone, but I'm looking forward to my very own food bowl!

Please come and meet me,

Houdini xxxx

Find Houdini at : 200 Elder Street Greensborough, Victoria
